

# Alexander Central High School Chromebook 1:1 Handbook

## **Alexander County Schools Board of Education Policies**

Students will follow all BOE policies that relate to the use of technology in the educational environment. Failure to follow any of these policies as written may constitute disciplinary action. BOE policy numbers: [3220](#), [3225](#), [3226](#)

*The policies, procedures, and information within this document apply to all Chromebooks or other similar devices used as a part of a student loan initiative-including, but not limited to a 1:1 initiative. This handbook will be reviewed and modified for changes and updates on a yearly basis.*

## Receiving Your Chromebook:

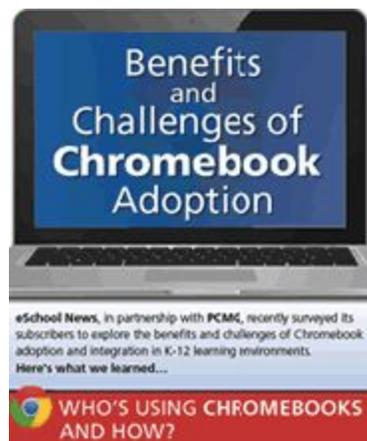

Chromebooks will be distributed during appointed times during the summer and Open House. **Parents & students must sign and return the Chromebook Policy Sign-off and Student Pledge document before the Chromebook can be issued to their child.** This document will be signed by students upon completion of Chromebook training. The student sign-off sheet will be copied/sent home to parents for a parent signature to be returned with the technology fee.

### **Technology fee:**

Alexander County Schools requires that a technology fee be paid prior to deployment of the Chromebook to your child. The annual fee of \$30 per device will cover/include individual student insurance and protective cover. ([Trinity 3 Platinum](#))

### **Training:**

Students will be trained on how to use the Chromebook by their teacher. Training documents and videos will be available online for students and parents to refer to when needed.

(Image is a pdf link)

More information about why Alexander Central implemented a Chromebook adoption can be found at [eSchool News](#).

[Training video link.](#)

## **Return:**

Student Chromebooks and accessories (i.e., charger and battery) will be collected at the end of each school year for maintenance over summer vacation.

Any student who transfers out of Alexander Central High School will be required to return his/her Chromebook and accessories. If a Chromebook and accessories are not returned, the parent/guardian will be held responsible for payment in full. If payment is not received, the parent/guardian may be turned over to a collection agency.

## **Taking Care of Your Chromebook:**

Students are responsible for the general care of the Chromebook issued to them. Chromebooks that are broken or fail to work properly must be taken to the Chromebook Help Desk. If a loaner Chromebook is needed, one will be issued to the student until the Chromebook can be repaired or replaced.

### **General Precautions:**

- No food or drink is allowed next to your Chromebook while it is in use.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the Chromebook.

### **Carrying the Chromebook:**

The protective shell of the Chromebook will only provide basic protection from everyday use. It is not designed to prevent damage from drops or abusive handling. Please use extreme caution when transporting your Chromebook. You should not toss your backpack or drop the backpack if your Chromebook is inside. All chromebooks should be contained in the protective case at ALL times.

### **Screen Care:**

The Chromebook screen can be easily damaged. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on top of the Chromebook.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Do not poke the screen.

- Do not place anything on the keyboard before closing the lid (e.g. pens, pencils, notebooks).
- Clean the screen with a soft, dry anti-static, or micro-fiber cloth. Do not use window cleaner or any type of liquid or water on the Chromebook. You can also purchase individually packaged pre-moistened eyeglass lens cleaning tissues to clean the screen. These are very convenient and relatively inexpensive.

## Using Your Chromebook

### **At School:**

The Chromebook is intended for use at school each and every day. Chromebooks should be with students at all times. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, academic handbooks, student handbooks and schedules will be accessed using the Chromebook. Students must be responsible for bringing their Chromebook to all classes, unless specifically advised not to do so by their teacher, in accordance to school policy.

### **At Home:**

Students are required to take their Chromebook home each night. *Chromebooks must be brought to school each day in a fully charged condition.* Students are expected to charge their Chromebooks each evening.

### **Sound:**

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Students are responsible for having their own headphones/earbuds for use as directed. These will not be provided by classroom teachers.

### **Printing:**

Printing functionality via the Chromebook will not be supported by ACS. Teaching strategies will facilitate digital copies of homework.

# **International Society for Technology in Education**

---

The [2016 ISTE Standards](#) are part of your student's daily learning experience. The standards are divided into seven key skills that are fundamental in preparing students to be successful in a competitive global society.

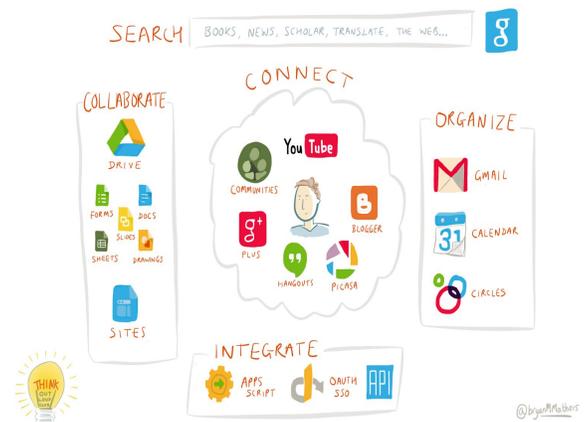

These seven key skills include:

- Empowered Learner
- Digital Citizen
- Knowledge Constructor
- Innovative Designer
- Computational Thinker
- Creative Communicator
- Global Collaborator

---

# Google Apps for Education

Students have access to [Google Apps for Education](#), an online suite of productivity tools. All teachers and students are provided Google Apps accounts. These accounts allow users to create and share collaborative presentations, documents, spreadsheets, and drawings. These items are created and housed within our ACS domain. Additionally, students have access to an email account generated by ACS. Students shall limit email use to communicating with teachers and other students within the ACS domain. Students should not share passwords for ACS Google accounts.

## Managing Your Files and Saving Your Work:

Students may save documents to their Google Drive, or they may save to an external memory device such as a USB flash drive. Saving to Google Drive will make the file accessible from any computer with internet access. Students using Google Drive to work on their documents will not need to save their work, as Drive will save each keystroke as the work is being completed. It will be the responsibility of the student to maintain the integrity of their files and keep proper backups. Students will be trained on proper file management procedures.

## **Personalizing the Chromebook:**

**Chromebooks must remain free of any decorative writing, drawing, paint, tape, or labels that are not the property of Alexander County Schools. Spot checks for compliance will be done by administration or ACS Technicians at any time. Violations will result in disciplinary action.**

Students who have paid their technology fee and returned all signed documents may personalize their chromebook cases in accordance to school policies.

The intent of this device is for educational purposes. Chromebooks are subject to inspection by teachers at anytime. Students must follow the Alexander County Schools Acceptable Use Policy (***BOE Policy 3225***).

## **Apps and Extensions on Chromebooks:**

### **Originally Installed:**

Chromebook software is delivered via the Chrome Web Store. These are web-based applications that do not require installation space on a hard drive. Some applications, such as Google Drive, are available for [offline](#) use.

All Chromebooks are supplied with the latest build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS will automatically install updates when the computer is shutdown and restarted.

From time to time, the school may add software applications for use in a particular course. This process will be automatic with virtually no impact on students. Applications that are no longer needed will automatically be removed by the school as well.

### **Virus Protection:**

Virus protection is unnecessary on the Chromebook due to the unique nature of its design.

### **Inspection:**

Students may be selected at random to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school. Inappropriate material found on the chromebook will be subject to disciplinary action in accordance to school policies.

## Protecting & Storing Your Chromebook:

### **Chromebook Identification:**

Chromebooks will be labeled in the manner specified by the school. Chromebooks can be identified in the following ways:

- Record of serial number and ACS asset tag
- Individual's Google Account username

*Under no circumstances are students to modify, remove, or destroy identification labels.*

### **Storing and Securing Chromebooks:**

The safety and security of the Chromebook is always the priority of the student. Students are responsible for securely storing their Chromebook during extra-curricular events. Under no circumstance should a Chromebook be stored in unsupervised areas. Unsupervised areas include the school grounds and campus, the cafeteria, unlocked classrooms, media center, locker rooms, dressing rooms, hallways, bathrooms, extra-curricular bus, in a car, or any other entity that is not securely locked or in which there is not supervision.

Unsupervised Chromebooks will be confiscated by staff and taken to the Principal's office. Disciplinary action will be taken for leaving a Chromebook in an unsupervised location.

## Repairing or Replacing Your Chromebook:

### **Chromebooks Undergoing Repair:**

- Loaner Chromebooks **may** be issued to students when they leave their Chromebook for repair at the Media Center Tech Office.
- If repair is needed due to malicious damage, the school may refuse to provide a loaner Chromebook.

### **Intentional Misuse or Abuse:**

- Students and parents will be charged for Chromebook damage that is a result of misuse or abusive handling. **Parents/students will be charged for full replacement cost of a device that has been damaged due to intentional misuse or abuse.**
- The Alexander County School system will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school discipline code.

## **Technology Fee/Damage Deductibles**

Alexander County Schools requires that a technology fee be paid prior to the issuance of the Chromebook to your child. The technology fee is \$30.00 annually for each Chromebook. If a student withdraws from Alexander County Schools and then re-enrolls later in the current school year, the technology fee at the student's initial registration will be reinstated along with the number of claims made prior to withdrawal (otherwise the fee will not be refunded).

### **Damaged Device and Accessories:**

A Chromebook or any of its accessories that are damaged is the responsibility of the student and parent involved in the loss of property (unless damage is determined to be covered by the [T3 Platinum Policy](#)). The user will not be given another device or accessory to use until the replacement cost of the lost/damaged device or accessory is paid to the school. If cost is covered by the [T3 Platinum Policy](#), the student may be without a device until the device is sent off to be fixed. (S&H Fees may apply).

## **1:1 Day Use Policy/Procedures**

Day Use Policy is limited to those students whose parents choose not to participate and decline the issuance of a Chromebook to their child for a variety of reasons OR if a student has lost the use of an individual Chromebook. **This is NOT an option in lieu of paying damage fees.**

Students who work within the parameters of the Day Use Policy are still required to complete all assignments issued by his/her teacher. They may complete these on-line at home using a home device, or they may complete them in a pencil-paper format. Individual directives on assignments will be given by the classroom teacher.

- **Day Users are financially responsible for any damages incurred during the use of the Chromebook.**
  - **LCD Screen Replacement - \$89.00**
  - **Keyboard Replacement - \$50.50**
  - **Motherboard - \$349.00**
  - **Battery - 82.50**
  - **Outside Cover - \$48.00**
  - **Hinge Set - \$33.00**

Students should go before school to the media center and check out a Chromebook each day. They must return their Chromebook to the designated location prior to them leaving the school for the day. While this may seem an inconvenience, we do not have the luxury of having extra Chromebooks. Students are still responsible for the care of this Chromebook. Parents are responsible for any damage to the Chromebook during day use and may be subject to a repair fee. This is why the \$30 Technology Fee is

optimal for each student to help with damage costs.

## **Alexander County Schools Chromebook Policy Handbook Student Pledge**

- I will take good care of my Chromebook
- I will never leave my Chromebook unattended in an unsecured or unsupervised location.
- I will never loan out my Chromebook to other individuals.
- I will know where my Chromebook is at all times.
- I will charge my Chromebook's battery to full capacity each night.
- I will keep food and beverages away from my Chromebook since they may cause damage to the device.
- I will not disassemble any part of my Chromebook or attempt any repairs.
- I will protect my Chromebook by always carrying it in a secure manner to avoid damage.
- I will use my Chromebook in ways that are appropriate for education purposes only.
- **I will not place decorations (stickers, markers, writing, etc.) on the Chromebook.**
- I understand that the Chromebook I am issued is subject to inspection at any time without notice and remains the property of Alexander County Schools.
- I will follow the policies outlined in the Chromebook Policy Handbook and the District Acceptable Use Policy while at school, as well as outside the school day.
- I will file a police report in case of theft or damage caused by fire.
- I will be responsible for all damage or loss caused by neglect or abuse.
- I agree to pay the full replacement cost of my Chromebook, power cord/charger, in the event that any of these items are lost or intentionally damaged.
- I agree to return the Chromebook, power cord, and charger in good working condition at the end of each school year.
- I agree to keep my Chromebook in an approved protective case at all times .

**School administration reserves the right to modify or revoke user privileges as deemed appropriate due to any violations of school policies, Alexander County Board of Education policies, and/or procedures.**

## Alexander County Schools CHROMEBOOK AGREEMENT

Parent and Student please initial each section and complete bottom of form:

<b>P:</b>  <b>S:</b>	<b>TERMS:</b> <ul style="list-style-type: none"> <li>• You agree to pay \$30 annual device technology fee.</li> <li>• You will comply at all times with the Alexander County School System's Chromebook Policy Handbook and its guidelines as well as the ACS Technology Acceptable Use Policy. Any failure to comply may terminate your rights of possession effective immediately and the school may suspend student use of the device. Chromebooks are assigned to a single individual and are not to be shared.</li> </ul>
<b>P:</b>  <b>S:</b>	<b>TITLE:</b> <ul style="list-style-type: none"> <li>• Legal title to the Chromebook is ACS and it shall remain there. The student's right of possession and use is limited to and conditioned upon full and complete compliance with this Agreement and the Chromebook Policy Handbook.</li> </ul>
<b>P:</b>  <b>S:</b>	<b>DAMAGE:</b> <ul style="list-style-type: none"> <li>• If the property is <b>accidentally</b> damaged, Alexander County Schools will assess the Chromebook damage and repair or replace the device under the accidental damage policy. If the property is stolen, a police report must be filed by the student or student's parents/guardian involved in the loss of property. Loss or theft of the property must be reported to the proper school authorities by the next school day after the occurrence. Fraudulent reporting of theft will be turned over to the police for prosecution.</li> </ul>
<b>P:</b>  <b>S:</b>	<b>REPOSSESSION:</b> <ul style="list-style-type: none"> <li>• Students not complying with all terms of this Agreement and the Chromebook Policy Handbook, including the timely return of the property, will be declared to be in default and authorities may be sent to your place of residence, or other location of the Chromebook to take possession.</li> </ul>
<b>P:</b>  <b>S:</b>	<b>TERM OF AGREEMENT:</b> <ul style="list-style-type: none"> <li>• Your right to use and possession of the property terminates no later than the last day of classes during the school year unless earlier terminated by the the school or upon student withdrawal from the Alexander County School System.</li> </ul>
<b>P:</b>  <b>S:</b>	<b>APPROPRIATION:</b> <ul style="list-style-type: none"> <li>• Your failure to timely return the property and the continued use of it for non-school purposes without the school's consent will be considered unlawful appropriation of school property.</li> </ul>

*Signature assures that student and parent have reviewed and agree to follow the Student Pledge and Chromebook Agreement Form*
