

## **Epic! Directions**

**Epic** is used for students to practice reading skills, comprehension skills and assessment skills. This website has a huge variety of different leveled books that students can read, and be read to. When at school, our students read one book and take on quiz assigned by Mrs. Smith on **Epic**. This document will provide directions on how to use **Epic** from home if students have a remote learning day.

1. Go to <https://www.getepic.com/>
2. Click on class code up at the top.
3. Our class code is: ydw4528
4. Once you have signed in, you should be able to pick your child's account by clicking on their name.
5. Once you have clicked on their name, there should be an assignment pop up where Mrs. Smith has picked a book out for your child.
  - a. If this message does not appear then click on the mailbox button in the top right corner and the assignment will be there.
  - b. If for some reason you can not find the assigned book, simply have your child read a different

book and take a quiz. Mrs. Smith is able to see what book he/she has read and the quiz that they took.
